

Youth from around the World are invited to submit their artwork to
The 20th Annual Peace Pals International
Art Exhibition and Awards

2017 Theme and Message: **Nature for All ~ Loving the Earth**
Inspire Love of Nature by connecting with and sharing your love of nature.

This year our theme is co-created with #NatureForAll a project of IUCN. #NatureForAll is a global movement to inspire a new generation of thinkers and doers across all sectors of society to connect with nature and take action to support its conservation. At its core is a very simple idea: the more people experience, connect with, and share their love of nature, the more support there will be for its conservation. We are joined by IUCN CEC, IUCN CEESP, DiversEarth, Bella Gaia and The Fuji Declaration in celebration of the 20th anniversary of Peace Pals International Art & Exhibition Awards.
