

We Invite all youth from the world to submit their artwork for the 21st Annual Peace Pals International Art Exhibition and Awards.

*2018 Theme: Living Peace*

This year our theme is co-created with [Living Peace International](#), which was founded in Egypt in 2011, by Carlos Palma. Living Peace International promotes the affirmation of a culture of peace, the only one who can respect and respond to the real and deep questions of each and every one, in the journey towards universal friendship.

The artwork should be drawn and painted to express your life as a person who is *Living Peace* daily in your life and what Living Peace means to you. Living Peace is a way of life in which we respect and love each other even though we are different. The artwork must include the Universal Message of Peace **“May Peace Prevail On Earth”**

Your artwork **MUST** include the message, **“May Peace Prevail On Earth”** in [English and/or your Native Language](#).
